**PURPOSE:** CBP is requesting this information to allow the importer of record to make electronic payments for import related duties, taxes, fees, and interest, deferred tax payments, or bill payments, etc., through the Automated Clearinghouse (ACH) debit or credit process. ACH debit allows the filer to voluntarily select to authorize the Treasury-designated ACH processor to electronically debit the payer's bank account; ACH credit is an optional payment method that allows the payer to transmit statement processing payments through its financial institution, directly to the CBP account maintained by the Department of the Treasury.

**ROUTINE USES:** Consistent with DHS's information-sharing mission, the information requested on this form may be shared with other DHS Components to carry out national security, law enforcement, immigration, trade, or other homeland security functions. Information may also be shared with appropriate federal, state, local, tribal, territorial, foreign, or international government agencies. This sharing will assist DHS in exercising control over the customs financial transactions of import-related duties, taxes, fees, and interest associated with the movement of merchandise through international commerce. A complete list of the routine uses can be found in the system of records notice associated with this form, "DHS/CBP-001 Import Information System (IIS)." The Department's full list of system of records notices can be found on the Department's website at: http://www.dhs.gov/system-records-notices-sorns.

**CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:** Providing this information to is voluntary. However, failure to provide this information may result in the inability for an importer to participate in ACH Debit or Credit payment programs to pay Duties taxes and Fees related to entry. An alternative for not participating in ACH is to have the importer work as a Non-ACE Portal Account holder and make all payments due through a broker, who is an ACE Portal Account holder. Brokers are able to place eligible entry summaries for activated non-portal accounts on a broker or importer statement. For further details, please see the Federal Register Notice (FRN), 70 FR 61466, published on October 24, 2005, announcing the establishment of non-portal accounts, as well as any other applicable FRNs, at the following link: <a href="https://www.cbp.gov/trade/priority-issues/revenue/revenue-modernization">https://www.cbp.gov/trade/priority-issues/revenue/revenue-modernization</a>.
